The background features a stylized illustration of a web application interface. At the top, there's a search bar with a magnifying glass icon and the word 'SEARCH'. Below it, a large checkmark icon is visible on the left, and a person is shown interacting with the interface on the right. In the foreground, there are silhouettes of people: one person is running on the left, and another is standing in the center. To the right, there's a blue box and a ladder. The entire scene is set against a light blue background with circuit-like lines and gears on the sides.
